The Honorable Samuel J. Chilk
The Secretary of the Commission
Office of the Secretary
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Re: In the Matter of Long Island Lighting Company
(Shoreham Nuclear Power Station, Unit 1),
Docket No. 50-322

Dear Sir:

By Order dated October 3, 1990, the Nuclear Regulatory Commission requested its Staff and the Long Island Lighting Company to address certain arguments raised in filings docketed by the Shoreham-Wading River Central School District and Scientists and Engineers for Secure Energy, Inc. I have enclosed for filing the original and two copies of (1) Motion by the Long Island Power Authority ("LIPA") for Leave to File Comments in Response to the Commission's October 3, 1990 Order and (2) Comments of LIPA in Response to the Commission's October 3, 1990 Order. LIPA believes its comments will assist the Commission in addressing the issues identified in its October 3, 1990 Order.

Please call me at (202) 383-5360 if you have any questions or comments.

Sincerely,

Carl R. Schenker, Jr.

Carl R. Schenker, Jr.
