Docket No. 50-382
License No. NPF-38
Licensee Implementation Dates

Gentlemen:

As requested by a representative of the NRC Staff, please find attached a brief summary which serves to confirm the Licensee Implementation Dates for the three items listed.

Please note that the completion date for "Waterford GL 90-03, Relaxation of Staff Position in GL 83-28, Item 2.2 Part 2" has been changed. We informed you (W3P90-1492 dated October 1, 1990) that the Waterford 3 Key Vendor Contact Program was in place and functioning, and full implementation would occur upon final procedure issuance by December 31, 1990. Due to administrative constraints signature approval was delayed and procedure issuance occurred on January 14, 1991.

Should you have any questions or need additional information, please contact L.W. Laughlin at (504) 739-6331.

Very truly yours,

RFB/PLC/ssf
