INCURRED BY A STATE OR POLITICAL SUBDIVISION OF A STATE
(Facility Form)

It is agreed that:

- 1.) the following is added to Insuring Agreement I of the policy:

COVERAGE D - REASONABLE ADDITIONAL COSTS INCURRED
BY A STATE OR POLITICAL SUBDIVISION OF A STATE

To reimburse a State or a political subdivision of a State for reasonable additional costs necessarily incurred by such State or political subdivision, to provide emergency food, shelter, transportation or police services in evacuating the public within a reasonable, specified area near (i) the facility, or (ii) the transportation route in the case of an accident involving an insured shipment, when such evacuation is:

1. the result of an event during the policy period that causes, or poses imminent danger of, bodily injury or property damage from the nuclear energy hazard, and
2. initiated by order of an official of a State or a political subdivision of a State who is authorized by State law to initiate such an evacuation, and who reasonably determined that such an evacuation was necessary to protect the public health and safety.

This coverage applies only to those additional costs (i) incurred by such State or political subdivision during the period of time the evacuation order is in effect and for an additional period of 30 days immediately thereafter, (ii) that would not have been incurred but for such evacuation, and (iii) for which such State or political subdivision does not seek or receive payment or reimbursement from any other party.

- 2.) the following EXCLUSIONS are added to the policy:

[This policy does not apply:]

- (i) under Coverage D, to any obligation for which a State or a political subdivision of a State, or any carrier as its insurer, may be held liable under any workers compensation, unemployment compensation or disability benefits law, or any similar law;
- (j) under Coverage D, to any evacuation due to the manufacturing, handling or use at the location designated in Item 3 of the Declarations, in time of peace or war, of any nuclear weapon or other instrument of war utilizing special nuclear material or byproduct material;
- (k) under Coverage D, to any evacuation due to war, whether or not declared, civil war, insurrection, rebellion or revolution, or to any act or condition incident to any of the foregoing;
- (l) under Coverage D, to additional costs incurred by a State or a political subdivision of a State for services rendered by a charitable organization.

- 3.) in CONDITION 3, the words "bodily injury, property damage or environmental damage" are replaced by "bodily injury, property damage, environmental damage or evacuations of the public", and, the words "claims under Coverages B and C" are replaced by "claims under Coverages B, C and D".

- 5.) the following CONDITIONS are added to the policy:

8A. ACTION AGAINST COMPANIES - COVERAGE D

No suit or action on this policy for the recovery of any claim for payment to which Coverage D applies shall be sustainable in any court of law or equity unless all the requirements of this policy shall have been complied with and unless commenced within two (2) years after the evacuation is initiated, unless such time is extended by the companies in writing.

9A. STATE OR POLITICAL SUBDIVISION'S DUTIES WHEN LOSS OCCURS
COVERAGE D

In the event of an evacuation of the public to which Coverage D applies, the State or political subdivision of a State seeking reimbursement shall furnish a complete statement of all additional costs claimed, showing in detail the amount, purpose, date incurred, payor and payee of each expenditure.

Within twelve (12) months after the evacuation is initiated resulting in such additional costs, unless such time is extended by the companies in writing, the entity seeking reimbursement shall render to the companies a proof of loss, signed and sworn to by an authorized representative of such entity stating the knowledge and belief of such representative as to the following: identification and description of such occurrence and evacuation; the authority and responsibility of such entity to incur such additional costs; the amount, purpose, date incurred, payor and payee of each additional cost; the relationship of each such additional cost to the evacuation of the public and to the necessary provision of emergency food, shelter, transportation or police services; how each such additional cost represents an expenditure that is in addition to, or in excess of, those expenditures normally or usually made, or provided for, by such entity; how each such additional cost represents an expenditure that would not have been made but for such evacuation; whether the entity has received, or will seek, payment or reimbursement for such additional costs from any other party; and all other contracts of insurance, whether valid or not, covering any of such additional costs.

The entity seeking reimbursement, as often as may be reasonably required, shall submit to examinations under oath by any person named by the companies and subscribe the same; and, as often as may be reasonably required, shall produce for examination all books of account, records, bills, invoices and other vouchers, or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by the companies or their representatives, and shall permit extracts and copies thereof to be made.

Within twelve (12) months after the evacuation is initiated resulting in such additional costs, unless such time is extended by the companies in writing, the entity seeking reimbursement shall render to the companies a proof of loss, signed and sworn to by an authorized representative of such entity stating the knowledge and belief of such representative as to the following: identification and description of such occurrence and evacuation; the authority and responsibility of such entity to incur such additional costs; the amount, purpose, date incurred, payor and payee of each additional cost; the relationship of each such additional cost to the evacuation of the public and to the necessary provision of emergency food, shelter, transportation or police services; how each such additional cost represents an expenditure that is in addition to, or in excess of, those expenditures normally or usually made, or provided for, by such entity; how each such additional cost represents an expenditure that would not have been made but for such evacuation; whether the entity has received, or will seek, payment or reimbursement for such additional costs from any other party; and all other contracts of insurance, whether valid or not, covering any of such additional costs.

The entity seeking reimbursement, as often as may be reasonably required, shall submit to examinations under oath by any person named by the companies and subscribe the same; and, as often as may be reasonably required, shall produce for examination all books of account, records, bills, invoices and other vouchers, or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by the companies or their representatives, and shall permit extracts and copies thereof to be made.
