Shoreham Nuclear Power Station - Unit 1  
Docket No. 50-322

Reference: 1) Letter dated April 28, 1994 to U.S. Nuclear  
Regulatory Commission from R.M. Kessel

Gentlemen:

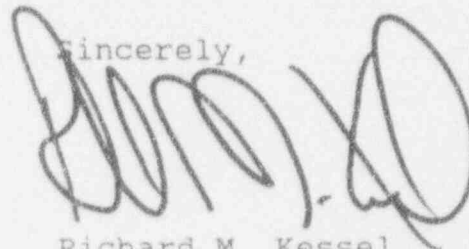

Please be advised of the following clarification to the  
Reference 1 letter regarding the resignation of Mr. John C. Brons  
from the subject position in the LIPA Shoreham Decommissioning  
Project. Based on recent discussions between officials of the Long  
Island Power Authority, the Nuclear Regulatory Commission and the  
New York Power Authority, LIPA has decided to retain the subject  
position at least until all fuel has been removed from the Shoreham  
site. Thus, effective immediately, the position will be assumed by  
Mr. S. David Freeman, President and Chief Executive Officer of the  
New York Power Authority.
