Louis J. Carter, Chairman
Indian Point Safety and Licensing Board
U. S. Regulatory Commission
Washington, D. C. 20555

ATOMIC SAFETY AND
LICENSING BOARD PANEL

My dear Chairman Carter:

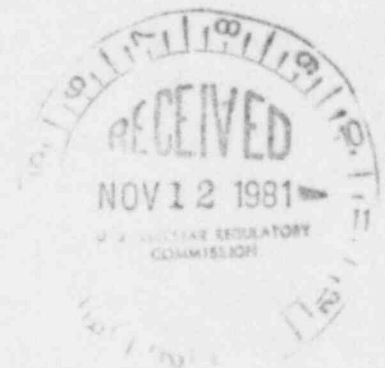

I live within range of the Indian Point Nuclear Power Plant.
I am one of those threatened daily by that plant's continued
intermittent and unreliable operation.

I am opposed to the operation of this plant!

I demand that public and evidentiary hearings on this issue be
held in the vicinity of the plant, with evening sessions.

Hopefully yours,

Lee H Ball
