RE: Docket 50-247-SP;
Docket 50-286-SP

Dear Judge Carter:

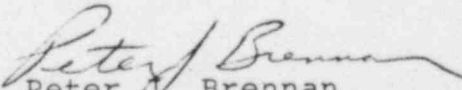

The New York State Committee for Jobs and Energy Independence (JEI) requests permission to make a limited appearance in the matter of Docket(s) 50-247-SP and 50-286-SP.

JEI is a labor/business coalition founded in 1976 to foster rational energy policies for New York State. We are particularly interested in assuring reasonably-priced, reliable electrical service to New Yorkers and, therefore, would like to make a limited appearance in opposition to closing down Indian Points II and III.

I would appreciate it if you would keep us informed of the progress of this inquiry, particularly the filing dates and locations of the public hearings.

Thank you for your cooperation.

Sincerely,

Peter J. Brennan
Chairman
