Re: Doc. #50247
#50286

Dear Mr. Carter:

As a resident within a 10 mile radius of the Indian Point Power Plant located in Northern Westchester I have some considerations regarding evacuation proceedings in the event of a leak at the Indian Point Power Plant. I am also concerned about the safety of such a plant.

I am requesting to make a statement to the Indian Point Atomic Safety and Licensing Board. Kindly advise at your earliest convenience.

Thank you for your prompt attention to this matter.

Sincerely,

Diane Schwartz
