OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

Dear Mr. Carter —

I am very concerned re: the
safety of the Indian Point
Nuclear Power Operations —
They should be closed down
permanently —

I went to the hearing before
the plants were commissioned —
and have which felt they
should have gone into operation.

There is no possible way for
people to "escape" — if an
accident occurs —

This is my written statement —
I hope if possible to attend the
hearings —
