Dear Mr. O'Reilly:

In response to your August 18, 1981 letter transmitting Nuclear Regulatory Commission IE Bulletin No. 81-02, Supplement 1, we wish to inform you that no W-EMD manufactured motor-operated gate valves are or will be installed, or maintained as spares for installation at Cherokee or Perkins Nuclear Stations.

Approximately 2 manhours were expended in the research and preparation of our response to this bulletin supplement.

Very truly yours,
