PETITION FOR LEAVE TO INTERVENE AND REQUEST FOR HEARING

NOW COMES WILFRED L. SANDERS, JR., Attorney for SUN VALLEY ASSOCIATION, of Hampton, County of Rockingham and State of New Hampshire, and petitions to intervene generally pursuant to 10 C. F. R. 2.714 upon the following bases and terms:

1. The application of Public Service Company of New Hampshire for operating licenses for Seabrook Nuclear Stations 1 and 2 was docketed by the Nuclear Regulatory Commission on October 5, 1981. Petitions for Intervention were required to be filed by November 18, 1981.

2. The Petitioner is an association comprising of fifty (50) homeowners a Seabrook Beach in Hampton, New Hampshire which properties are located a very close proximity to the Seabrook Station.

3. The Seabrook Station facility will be located in the Seacoast area of New Hampshire, namely Seabrook, within ancillary portions located in several towns in the State of New Hampshire. Operation of the facility will have an effect on the health, safety and welfare of the citizens who reside in the vicinity of the facility site.

4. Any order in the proceedings will effect the entire State, but particularly the Seacoast area, a major tourist area, responsible for providing employment and business opportunities to thousands of citizens.

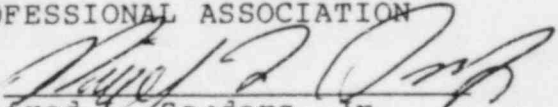

5. The Petitioner further expresses intense interest in the final determination of evacuation procedures as it affects the health and safety of upwards of 100,000 people within a one to two mile radius of the planned facility. Any such impact from a health, safety, and economic point of view is of concern to the above Petitioner.

6. The Petitioner requests the right to address the above and other concerns as they relate to operating licenses for this Seabrook Nuclear Facility.

RESPECTFULLY SUBMITTED,
