OFF SECRETARY  
MEETING & SERVICE  
BRANCH

I wrote you a letter  
September 29, about the  
controversy of the opening  
of Diablo Canyon Nuclear  
Plant in California. I want  
to know why there is so  
much controversy of the  
opening.

Also I want to know  
the Pros and Cons of the issue.  
What is the cost of the opening  
of the Plant. I would really  
appreciate your answer to  
my letter.

Thank-You Sincerely

Marsha Hackney
