Dear Mr. Carter:

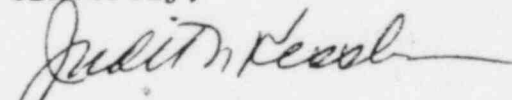

Pursuant to a conversation today with the NRC Docketing division, a Mr. Stevens, I believe, I am sending you this request.

RCSE has petitioned for leave to intervene in the above-captioned case. I understand that, unless otherwise requested, it is the legal counsel who is on the service list to receive mailings. As Coordinator of RCSE, it is essential that I receive all mailings. Could you please change your service list to include my name in addition to or in place of that of Jonathan Levine, Esq.? All mailings should be sent to me at the following address rather than to the RCSE address on our letterhead and on our petition:

Judith Kessler, Coordinator
Rockland Citizens for Safe Energy
300 New Hempstead Road
New City, N.Y. 10956

Please note that it is New City, not New York City. Thank-you for your attention to this matter.

Sincerely,

Judith Kessler
Coordinator NRC

cc: Jonathan Levine, Esq.
