VOGTLE ELECTRIC GENERATING PLANT - UNIT 1  
REVISION 4 TO INSERVICE INSPECTION PROGRAM

Gentlemen:

By letter MSV-00169 dated March 27, 1990, Georgia Power Company (GPC) indicated that it expected to submit Revision 4 to the Vogtle Electric Generating Plant, Unit 1 Inservice Inspection Program to the NRC by April 16, 1990. We find that we are unable to submit the Revision 4 changes to the subject document by that date and now expect to make the submittal by April 25, 1990.

Should there be any questions in this regard, please contact this office.

Sincerely,

  
W. G. Hairston, III
