NPDES PERMIT NONCOMPLIANCE

Gentlemen:

By letter dated April 26, 1983, Carolina Power & Light Company (CP&L) agreed to provide the NRC with copies of changes and/or violations to the National Pollutant Discharge Elimination System (NPDES) permit requiring notification to the permit agency.

In order to complete your records for 1989, CP&L is providing the attached information regarding NPDES permit noncompliance which was reported to the permit agency for the months of February, April, July, and December 1989.

Yours very truly,

L. I. Loflin
Manager
