RE: Starwin Industries license application request for additional information

Dear Ms. Savoy:

I am writing in response to the email from Eric Freeman of October 23, 2019, requesting additional information with regards to the export license application of Starwin Industries. Thank you for your patience as we gather information to respond to your questions.

To respond in order:

1) Affidavit for withholding public disclosure:

Yes, withholding just the numbers in Section 10 is acceptable to Starwin Industries. Thank you.

2) Form 7 Section 9: Ultimate Foreign Consignee

We have discussed with the customer, Harbin Electric Power Co. Ltd, to determine the proper ultimate foreign consignee and made the necessary corrections to this application. An end user certification is attached listing the intermediate consignees and ultimate end user. An amended Form 7 listing all of the proper parties has already been mailed to you under separate cover.

3) Chinese characters for DoS verification review

Finally, also attached is a complete list of all the relevant parties with both English and Chinese names and addresses.

I believe that this responds to all of the questions/concerns raised in Mr. Freeman's email. Please let me know if you need anything else and we will be sure to respond promptly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Russell Menyhart', written in a cursive style.
