RE: FOIA Request Regarding NVLAP On-Site Assessment Report

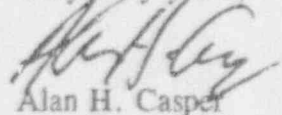

Dear Sir/Madam:

I am writing pursuant to the Freedom of Information Act, 55 U.S.C. §551, et seq., to request that you provide me with copies of the following documents relating to the NVLAP audit of Public Service Electric & Gas Co.'s Hope Creek/Salem New Jersey Nuclear Facilities:

Any and all documents, in any form whatsoever, referring or relating to any request by Public Service Electric & Gas Co., or any other person or entity, for the return to PSE&G or to the person or entity of any or all originals or copies of the ON-SITE ASSESSMENT REPORT, by J.A. Flanigan, NVLAP TE, October 7-9, 1991, PSE&G NVLAP LAB CODE: 0531.

I would appreciate it if you would advise me within the time period set forth by FOIA whether the foregoing documents are available for release to the public under FOIA. If there is any processing fee under FOIA for these documents, I would appreciate being provided with that information as well.

Very truly yours,

  
Alan H. Casper
