Subject: Arkansas Nuclear One - Units 1 and 2
Docket Nos. 50-313 and 50-368
License Nos. DPR-51 and NPF-6
Semiannual Radiological Effluent
Release Report for the Third and
Fourth Quarters of 1992

Gentlemen:

Arkansas Nuclear One, Units 1 and 2 (ANO-1 & 2) Technical Specifications 6.12.2.6 and 6.9.3, respectively, require the submittal of a Semiannual Radioactive Effluent Release Report. The purpose of this letter is to complete this reporting requirement for the third and fourth quarters of 1992 at ANO. This submittal also includes the additional information required by Technical Specifications 6.12.2.6 and 6.9.3 which is to be provided in the first report filed each year.

The cover letter of the previously submitted ANO-1 & 2 Semiannual Radiological Effluent Release Report dated August 28, 1992 (OCAN089211) incorrectly referenced the effluent, solid waste, and unplanned releases as occurring in the first and second quarters of 1991. These references should have been to the first and second quarters of 1992.

Should you have any questions regarding this submittal, please contact me.

Very truly yours,

James J. Fisicaro
Director, Licensing
