Construction Period Recapture

San Luis Obispo Mothers for Peace  
Unopposed Motion for an Extension of the Time to Respond  
to PG&E's Motion for Protective Order

On February 12, 1993, PG&E filed a preliminary response and a motion for protective order with respect to the Mothers for Peace request for a site inspection. The Mothers for Peace answer is due today, February 24, 1993. The Mothers for Peace has been unable to contact its expert who is assisting in the response to this motion because he is out of town. Therefore, the Mothers for Peace requests an additional week's extension - until March 3, 1993 - to answer this motion.

The Mothers for Peace contacted counsel for PG&E who stated that PG&E does not oppose this request. The Mothers for Peace attempted to contact counsel for the NRC but was unable to do so.

Respectfully submitted,

*Jill ZamEk*
