Gentlemen:

SUBJECT: Report on Performance Monitoring of Licensee Employee

Reference 2 transmitted a Notice of Violation resulting from falsification of Shift Technical Advisor training records by an Omaha Public Power District (OPPD) employee in 1987. In Reference 2, the NRC requested that OPPD provide 6 and 12 month reports on the results of its monitoring of the performance of the individual responsible for this violation. Reference 3 transmitted the 6 month report on this monitoring. This letter is the 12 month report.

This individual's performance has been closely monitored by OPPD for the past 12 months. During this period, the employee performed assigned tasks in a professional manner, with integrity and in compliance with applicable NRC and OPPD rules, regulations and procedures.

This is the final performance monitoring report resulting from Reference 2. If you should have any questions, please contact me.

Sincerely,

*W. G. Gates*
