REFERENCE: Docket No. 50-285

Gentlemen:

SUBJECT: February 1993 Monthly Operating Report (MOR) and Revised Operating Data Reports (ODR) for the Period of November 1991 through January 1993

Enclosure 1 is the February 1993 MOR for Fort Calhoun Station (FCS) Unit No. 1 as required by FCS Technical Specification Section 5.9.1.

Enclosure 2 contains revised ODRs for the period of November 1991 through January 1993. These ODRs contain corrected monthly, year-to-date, and cumulative data (as applicable) for Item 16 (Gross Thermal Energy Generated). The erroneous data previously submitted resulted from a transposition error in the November 1991 ODR. Each revised entry is indicated by a "/" to the right of the number.

If you should have any questions, please contact me.

Sincerely,

W. G. Gates  
Vice President
