FREEDOM OF INFORMATION  
ACT REQUESTFOIA-93-55  
Rec'd 1-27-93

Dear Sir or Madam:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. 552, I am requesting access to any records, notes of telephone conversations or reports by Niagara Mohawk Power Corporation or its contractors that relate to an incident that occurred on May 23, 1992 involving a female security guard who was working on the Refueling Floor of the Nine Mile Point 2 plant.

If there are any fees for searching for, or copying, the records I have requested, please inform me before you fill the request.

As you know, the act permits you to reduce or waive the fees when the release of the information is considered as "primarily benefiting the public." I believe that this request fits that category and I therefore ask that you waive any fees.

If for any reason any portion of this request is denied, please notify me in writing of the reason(s) for the denial, citing the applicable exemptions of the act. I also would ask that the name and address of the appropriate person to whom to direct an appeal be included with any notice of denial.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 working days, as the law stipulates.

If I can be of any assistance in clarifying this request, please feel free to contact me at (315) 470-2142. Thank you in advance for your cooperation.

Sincerely,

*Stephanie Gibbs*
