Subject: Seabrook Station Emergency Response Manual Binder Cover Replacement

Gentlemen:

Enclosed please find an updated binder cover and spine for the Seabrook Station Emergency Response (SSER) manual. This reflects the recent corporation name change from New Hampshire Yankee to North Atlantic Energy Service Corporation. The SSER, itself, has not been changed. This name change will be incorporated into the text of the SSER in future revisions. The Resident Inspector copy is provided directly through the North Atlantic records management system.

Should you have any questions regarding the enclosed SSER binder cover and spine, please call Mr. Tony M. Callendrello, Licensing Manager at (603) 474-9521, extension 2751.

Very truly yours,

  
Ted C. Feigenbaum
