Attn: Ms. J. M. Rodriguez
U. S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Ms. Rodriguez:

Subject: LIC: SOUTH CAROLINA ELECTRIC & GAS COMPANY
FAC: VIRGIL C. SUMMER NUCLEAR STATION
DOCKET NUMBER: 50-00395
PART 170 LICENSE FEE INVOICE
10 CFR 170.21
INVOICE NUMBER: XM0200-93
INVOICE DATE: 03/08/93

In accordance with the provisions of 10 CFR 15.31, South Carolina Electric & Gas Company (SCE&G) has questions concerning the charges related to Invoice No. XM0200-93. SCE&G submitted a similar inquiry on March 8, 1993, relative to Invoice No. XM0044-93. Both invoices relate to charges for Part 55 services for operator license examinations which were completed on May 23, 1992.

Invoice XM0200-93 represents an additional \$25,264.00 for charges for inspector hours in July 1992 and for contractor fees during an undetermined period of time. The invoice indicates the thirteenth (?) month of 1992 for contractor fees of \$16,955.00.

SCE&G would like to understand which activities related to the examinations require these additional charges.

Payment for the invoice will be submitted within the required time frame. Your prompt attention to this matter is appreciated. Should additional information be required, please contact Mr. Robert M. Fowlkes at 803-345-4210.

Very truly yours,

John L. Skolds
