Emergency Preparedness Plan

Dear Sir:

In support of the schedule for review of Beaver Valley Power Station's 1993 Annual Emergency Preparedness Exercise, Duquesne Light Company is providing the attached Beaver Valley Power Station Unit No. 2 Annual Exercise scenario package. The Annual Exercise will be conducted on March 17, 1993. Partial Exercise participation is expected on March 17 with the States of Pennsylvania, Ohio, West Virginia and their associated Counties (Beaver, Columbiana, and Hancock).

We request that any comments on the scenario be provided to the Duquesne Light Company no later than February 12 to allow adequate time to incorporate any needed scenario changes.

Contacts for the exercise and its preparation should be directed to Mr. H. I. Szklinski (412) 393-5772. Your cooperation on this matter is greatly appreciated and will help to ensure that the scenario will be one that thoroughly addresses all objectives in a realistic manner.

Very truly yours,

D. E. Spoerry
General Manager,
Nuclear Operations Services
