Subject: Submission of Fermi 2 Security Personnel Training and
Qualification Plan (Revision 9)

In accordance with 10CFR50.54(f)(2), Detroit Edison hereby submits
Revision 9 to the Fermi 2 Security Personnel Training and
Qualification Plan (SPT&QP).

The entire plan is being submitted. A revision summary of changes
made by Revision 9 to Fermi 2's SPT&QP is also provided. This
revision makes the following changes to the plan: (1) changed the
Table of Contents to allow for easier revision in the future, (2)
changed the definition of annual to allow for extensions of required
training, (3) deleted the position of Deputy Director, Nuclear
Security, (4) consolidated all items that require an annual
requalification into one section, and (5) deleted the revolver
qualification course.

All changes to the text are highlighted (shaded). The changes made by
this revision do not decrease the effectiveness of the Fermi 2
Security Personnel Training and Qualification Plan.
