1992 ANNUAL ENVIRONMENTAL OPERATING REPORT

This report describes implementation of the Environmental Protection Plan (EPP) for the calendar year 1992, and provides the information required by the EPP.

A. Summaries and analyses of the results of the environmental protection activities required by EPP subsection 4.2:

This section of the EPP provides protection of the two cultural resources areas on the Waterford 3 site. There were no activities which affected either the Plantation Overseer's House site or the Plantation Quarter's site, both eligible for the National Register of Historic Places, during this reporting period.

B. EPP noncompliances and the corrective actions taken to remedy them:

There were no noncompliances with the requirements of the EPP during this reporting period.

C. A discussion of changes in station design or operation, tests, or experiments made in accordance with the EPP subsection 3.1 which involved a potentially significant unreviewed environmental question:

There were no changes in station design, operation, tests, or experiments conducted that are reportable under this section during this reporting period.

D. Nonroutine reports submitted in accordance with subsection 5.4.2:

There were no nonroutine reports submitted in accordance with subsection 5.4.2 during this reporting period.
