Re: Meeting for Vote on Full-Power License, April 6, 1993

Dear Mr. Secretary:

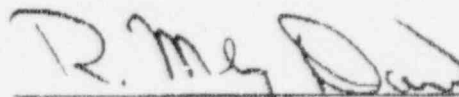

Please consider this to be a formal request to participate, and/or address the Commission when it meets, Tuesday, April 6, 1993, regarding the vote on the full-power license application for Unit 2 at the Comanche Peak Steam Electric Station owned and operated by Texas Utilities Electric Company.

As you may well be aware, this party has more than one motion and pleading pending before the Commission, which, as I understand the schedule will be addressed prior to the vote. I will, most certainly, be at that meeting, and will be available for oral argument regarding those pending matters. In addition there are other, and pertinent matters, which I would like to address the Commission with.

Please place me on the agenda for that date and time.

Thank you for your consideration in this matter.

Respectfully submitted,

R. MICKY DOW
