Subject: NRC Initial/Upgrade Examination

Dear Mr. Milhoan,

In accordance with the provisions of NUREG 1021, ES-402, Section F and Attachment 3, the facility post-examination review comments for the written examination administered on March 15, 1993 have been provided to Mr. John Pellet of your staff. For each test question on which we have comments, the applicable procedure or training document referenced will immediately follow our written comment. For those comments that reference a plant drawing, the applicable document is included in a separate attachment, each of which is appropriately labeled.

If you have any questions or if there is any other information that you may require, please contact me at (316) 364-8831, extension 4450, or Mr. Dave Fehr of my staff at extension 5135.

Very truly yours,

Otto L. Maynard
Vice President
Plant Operations
