ASLBP No. 92-669-03-OLA-2

April 12, 1993

Intervenor San Luis Obispo Mothers for Peace
Motion for Leave to File Additional Discovery
[Identification of Witnesses]

The deadline for discovery requests in this case was March 8, 1993, but the Licensing Board noted that it would entertain additional discovery. Memorandum and Order [Discovery and Hearing Schedules] [February 9, 1993] at 3 and 4. San Luis Obispo Mothers for Peace ("SLOMFP") hereby moves to file additional limited interrogatories.

SLOMFP overlooked the need to request of Pacific Gas and Electric Company ["PG&E"] the identification of its witnesses. This request is not burdensome for PG&E and SLOMFP requires this information in order to prepare for the hearing.

SLOMFP makes the following requests of PG&E:

1. Identify the name, profession, employer, and area of professional expertise of each person whom PG&E expects to call as a witness at the hearing on this matter.
2. Identify the educational and professional experience of each witness.
3. Describe the substance of testimony of each witness.

Respectfully Submitted,

Nancy Culver
