Docket No. 50-382  
License No. NPF-38  
Reporting of Licensee Event Report

Gentlemen:

Attached is Licensee Event Report Number LER-93-001-00 for Waterford Steam Electric Station Unit 3. This Licensee Event Report is submitted in accordance with the requirements of 10CFR50.73(a)(2)(iv). This is a corrected copy which supersedes the LER of the same number submitted as Waterford 3 letter W3F1-93-0133, dated April 1, 1993. The only difference in the two LERs is the reporting requirement in Block 11 of NRC Form 366 which was marked incorrectly in the original report.

Very truly yours,

D.F. Packer
