SHEARON HARRIS NUCLEAR POWER PLANT, UNIT 1
DOCKET NO. 50-400/LICENSE NO. NPP-63
REVISION 3 TO THE SHNPP SECURITY PERSONNEL
TRAINING & QUALIFICATION PLAN

Gentlemen:

In accordance with the Code of Federal Regulations, Title 10, Part 50.54(c), Carolina Power and Light Company hereby transmits the original and three copies of Revision 3 to the SHNPP Security Personnel Training & Qualification Plan for the Shearon Harris Nuclear Power Plant, Unit No. 1.

The attached contains no change which is known to decrease the effectiveness of the SHNPP Security Personnel Training and Qualification Plan. Revision 3 changes, other than minor typographical corrections, includes the following: Updated the title of the Manager - Security; changed the span of time during which a medical examination is required prior to the conduct of a Physical Fitness Qualification Test from the preceding 30 days to the preceding 12 months; changed the Individual Qualification Record (IQR) documentation retention period from two to three years; changed the requirement for creation of an IQR to "each member of the security force" versus "each individual" assigned to perform security duties...; modified the handgun qualification course to accommodate the semi-automatic pistol versus revolver; revised the shotgun qualification course; and deleted the responsibility for the OAE/SAS to remove, operate Vehicles Gates as this is a responsibility of the Final Access Control operator.

Affected pages in this revision are identified with the current revision number and month/year date. Specific lines of text affected by this revision are marked with sidebars in the margin.
