2) Detroit Edison letter to NRC, "Submittal of Fermi 2  
Security Personnel Training and Qualification Plan  
(Revision 9)", NRC-93-0042, dated April 2, 1993

Subject: Additional Submittal to the Fermi 2 Security Personnel  
Training and Qualification Plan (Revision 9)

By Reference 2, Detroit Edison submitted Revision 9 to the Fermi 2 Security  
Personnel Training and Qualification Plan (SPT&QP).

However, the submittal for Revision 9 to Fermi 2 SPT&QP inadvertently  
omitted the definition of the "Owner Controlled Area" from page 2-2.

Enclosed is the revised page 2-2 which includes the omitted definition.

If you have any questions regarding this submittal, please contact  
Mr. Joseph H. Korte, Director-Nuclear Security at (313) 586-4949.

Sincerely,

Enclosure
