Re: Oconee Unit 3
Docket No. 50-287

Dear Mr. Giambusso:

In my letter of May 14, 1974, we identified July 24, 1974 as the anticipated fuel loading date for Oconee Unit 3. Hot functional testing and the subsequent inspection of reactor internals has been completed. It is now expected that Oconee Unit 3 will be ready for fuel loading on July 17, 1974.

Very truly yours,

A. C. Thies
