Dear Sir:

Re: Besse Davis Plant to be situated near Port Clinton,
Ohio

I am interested in information concerning your hearings
to be held before construction of the above plant.

I would be interested in receiving the following
information:

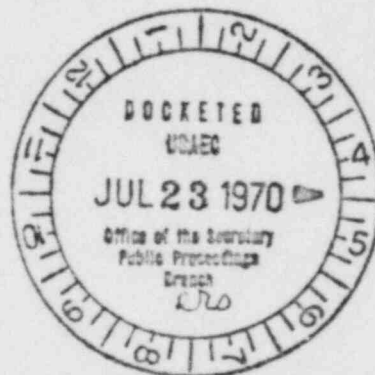

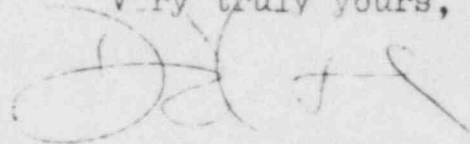

Dates and places of pre-hearing and hearing

Copies of staff's safety evaluation

Relevant guidelines such as document 10 CFR - 20 and
other brochures having a bearing on licensure and
issues discussed at hearings.

Any other information that would assist me in participat-
ing in your hearings regarding the above plant.

Very truly yours,
