To Whom it May Concern:

The Bloomington - Normal chapter of Prairie Alliance is filing a request on our behalf for a public hearing. We request the right to intervene in the matter of the issuance of a operating licenses to Illinois Power Company for the operation of the Clinton Power Station, Unit 1 and 2.

We feel that we should inform you that the Federal Register Notice was not posted in the Vespasian Warner Library in Clinton. Furthermore the Librarian informed our representative that they had not received a copy of the Notice yet. This Notice was supposed to be available for public inspection at the library from September 29, 1980 to October 29, 1980.

Please direct all correspondence regarding this letter to:
