PROPOSED RULE ~~(70374)~~
SME ~~70374~~

Dear ~~Commissioner~~ — Mr. Ahearn :
In ~~reference~~ to the proposed
restart of ~~JMI Unit One~~ : as a
resident of the 10-mile area, I assure you
the mental anguish such an action
would cause would be severe. Met. Ed
is still the same inept, profit-oriented,
callous, careless corporation it was on
March 28, 1979. We trust them no
more now than before. Suzanne Magla
