Honorable John F. Lehman
Chairman Nuclear Regulatory Commission
Washington D.C. 20555

We want to express our support for the
restart of the B.W.S. nuclear power
plant. This plant was declared to be in
safe operating condition and should have
been allowed to operate long ago.

It is important that shareholders get
a fair return for their investment.
The radical groups are trying to take
the country back to the stone age.

Sincerely

Mr & Mrs. Emanuel Leamon
