Mr. John F. Ahearn
Chairman, U.S. N.R.C.
Washington, D.C.

Dear Chairman Ahearn,

Because we are neighbors of
Three Mile Island and Metropolitan Edison
ratepayers, this family is adamantly
opposed to the Restart of Unit 1, Three
Mile Island. I am enclosing a copy
of a letter sent to Chairman Smith
requesting an opportunity to publicly
express this opposition.

Sincerely,
Helen M. Horber
