Mr. Robert A. Hausner, Chairman

January 30, 1981

U.S. Nuclear Regulatory Commission

Washington, D.C.

Dear Sir:

Enclosed for you are two copies of the

Dear Sir:

It is difficult to understand the meaning of the  
that I, while that is being ~~the~~ modified.  
such action is costing Metropolitan Edison Co.  
and its customers a tremendous amount of money  
which is being spent at this extremely important  
time when inflation is eating away at our  
economy. I am sure that you will be the greatest  
benefactor to our country by any long and hard  
work in an industry like this.

I have been in the industry for many years  
and I have seen many things and I am sure that  
you will be able to help me in my situation.  
The T-1 has been modified and needs to be  
checked at once and your commission has helped  
me in many ways to make that work.

I am in Jacksonville Beach, Florida and I have  
been for 14 years and I am sure that you will  
be able to help me in my situation. I am sure  
that you will be able to help me in my situation.

I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.

I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.  
I am sure that you will be able to help me in my situation.
