Mr. John Ahearne, Chairman
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Ahearne:

In the interests of the health (mental and physical) and well-being of the residents in the vicinity of Three Mile Island, I hope that you will oppose the restarting of Unit 1. Certainly no permission for such a move should be granted while hearings concerning TMI are incomplete. All citizens on behalf of ourselves and our posterity must share concern in this matter.

Thank you for your consideration.

Sincerely,

Adrienne Leban
