

Feb 14-81 —

To James F. Aheorne
I am writing you
as a stockholder in
of P21 with regard
to allowing TMI to
start up; — the decision
seems to be in your
hands.

We spent four years
with industry and
you know the national
results.

I wonder if you are
a Democrat & if you are
make a decision, you will
feel better. — L.P. Aheorne
