

DOCKET NUMBER 50-289 (Restart)
PROD. & UTIL. FAC.

Feb. 13, 1981

Dear Mr. Abovne:

This is to let you know - that I feel
allowing Unit 2 at the Three Mile Is-
land plant to re-open before having
on the water are complete is nothing
short of reckless, & I urge you not
to permit it.

(Mrs.) Mary Abovne
