

Dear Mr. Shearman,

DOCKET NUMBER  
FNUC-2 UTIL. FAC 50-289 (Pulik)

I urge you to do the following:

- ① Don't let the utility companies start up unit 1 at Three Mile Island - now or ever!
  - ② The same thing with Indian Point (N.Y.)
  - ③ Impose a total and permanent ban on Nuclear Power - Energy & Weapons.
- (over)

You, and I both know that you should never sacrifice the masses for the sake of a few. Besides, what good will all their money do them if everything is radioactive, polluted, or destroyed?

Sincerely,

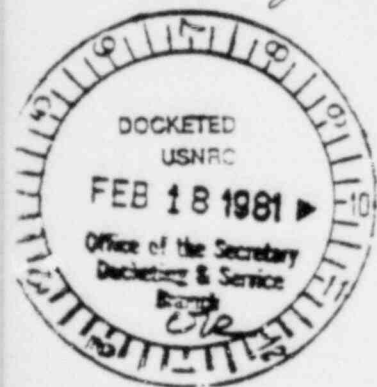

Jim Pulik
