RE: Intervenor Receipt of Summer SER

Dear Mr. Goldberg:

It is our understanding that because of administrative problems, Mr. Brett A. Bursay, Intervenor in the Summer Station Licensing Proceedings, was not mailed a copy of the Staff's Safety Evaluation Report for the Summer Station (USEG-0717) on the date of issue, Friday, February 6, 1981. To assist the Staff, and to provide Mr. Bursay with a copy of the SER in a timely fashion, I took it upon myself to provide Mr. Bursay with a copy of the SER. This copy was hand delivered to Mr. Bursay on February 9, 1981, as indicated on the attached receipt provided by Mr. Bursay.

Very truly yours,

Randolph R. Mahan
