Ivan W. Smith, Chairman.
Atomic Safety & Licensing Board
25 N. Lomb St.
Harrisburg, Pa 17101
Dear Mr. Smith:

As a retiree of Westinghouse and as holder
of common stock of W. P. U., the with-
holding of permission to reopen plant
#1 on Three Mile Island has hurt
me considerably.

Please do what you can to place
it back into service.

Yours very truly,
Carl M. Devlin
