

3-1-81

Chairman
U.S. Nuclear Regulatory Commission
1717 H Street N.W.
Washington, D.C. 20555

Dear Sir

Diablo Canyon Nuclear Power Plant
has met all safety requirements.
The plant is needed to provide
energy in the years ahead. I
urge the NRC to grant a license
at the earliest opportunity. It is
time now to bypass the Anti-Nuclear
groups and take the necessary steps
to complete this program.

Sincerely,

James E. Anderson
4483 Gordon St
Bakersfield, Calif.
