MOTION BY BROWNSVILLE  
FOR 20 DAY EXTENSION

The Public Utilities Board of the City of Brownsville,  
Texas, moves for a twenty day extension of the dates set in  
the Administrative Law Judge's notice of March 22, 1982, for  
the statement of position by parties in writing and the prehearing  
conference at which the parties' positions will be discussed. \*/

\*/ Written statements of positions were due April 6, 1982,  
and we request that it be extended to April 26, 1982, and the  
prehearing conference now set for April 13, 1982 be rescheduled  
to Tuesday, May 4, 1982, or to such other date as the Administrative  
Law Judge may determine. Brownsville regrets its failure to  
file its statement on April 6, 1982, and any inconvenience  
that this may have caused to the Administrative Law Judge and  
the parties. This was occasioned by the same reasons as are  
discussed herein for the requested extension of time.

DSO 8

This extension is needed by Brownsville in order that the Brownsville Public Utilities Board will have an opportunity to consider the matter at its next meeting, in the light of the extraordinary importance to this proceeding of Brownsville's position: it appears that Brownsville is the sole party which has not agreed to the proposed settlement, and, in turn, the extraordinary importance of these proceedings to the future of the power supply and interconnected operations of the electric utilities industry of Texas, both within Texas and in coordination with other areas.

In addition, Brownsville believes that it will hold serious discussions with at least one of the applicants herein, which discussions may have a substantial impact on Brownsville's position.

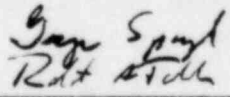

In the light of these substantial considerations the Public Utilities Board requires additional time to fully resolve its position.

WHEREFORE, for the foregoing reasons, Brownsville prays that the foregoing twenty day extension be granted and that the Administrative Law Judge take such other action as may appear meet.

Respectfully submitted,

PUBLIC UTILITIES BOARD OF  
THE CITY OF BROWNSVILLE, TEXAS
