RE: Perry Nuclear Power Plant, Units 1 and 2, Docket Nos. 50-440
and 50-441.

Dear Sirs:

Ohio Citizens for Responsible Energy ("OCRE"), an intervenor in the Perry operating license proceeding, has learned, pursuant to the March 18, 1982 Federal Register notice (47 FR 11791), that the ACRS is planning to meet to discuss the Perry Nuclear Power Plant. The date of the meeting had not yet been determined, but the location was tentatively listed as Cleveland.

OCRE would like very much to have a representative attend this meeting. OCRE's attendance would be greatly facilitated by the ACRS holding this meeting at a location convenient to OCRE members. Therefore, OCRE urges the ACRS to hold the meeting in the Cleveland area, as this would better enable OCRE, as well as other interested members of the public, to attend.

OCRE would like to be notified of the date and location of this meeting when plans have been finalized.

Sincerely,

Susan L. Hiatt
OCRE Interim Representative
