Docket No. 50-537
HQ:S:82:019

APR 14 1982

Mr. Paul S. Check, Director
CRBR Program Office
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Check:

RESPONSE TO REQUEST FOR ADDITIONAL INFORMATION - CRBRP SECURITY SYSTEMS

Reference: Letter, P. S. Check to J. R. Longenecker, "CRBRP Request for Additional Information," dated March 25, 1982

This letter formally responds to your request for additional information contained in the reference letter. The enclosure identifies regulations applicable to CRBRP security systems. Detailed compliance with these regulations will be addressed in the FSAR at the operating license stage. The enclosed information will also be incorporated into the PSAR in Amendment 68.

Sincerely,

John R. Longenecker

Project
Manager agreed.
I want a docketed
copy for my
security file.

Thanks,

Peggy

Peggy,

Could you check the enclosure to the attached letter. Seems to me this info is Security Related and should be withheld from public disclosure. The transmittal letter does not request this though. I think this submittal should receive a Security Plan Distribution. Please advise
