G. H. Duckworth on March 26, 1982

Dear Sir:

The NRC was notified of a potentially reportable deficiency in Reference
(A). At that time, it was estimated that a Final Report would be avail-
able by April 26, 1982.

Due to additional time being required for evaluation, it is now expected
that this information will be finalized by May 10, 1982, when a complete
report will be submitted.

Very truly yours,

E. E. Van Brunt
